EXPERIENCE

Aspiring Web Developer
Self Practiced and Projects in Visual Studio

📅 Mar 2024 – Ongoing

- Practicing ASP.NET C Sharp for web application development using Visual Studio
- Implemented DAL (Data Access Layer) and Module files for streamlined data handling.
- Gained experience in integrating MFiles for modular development.
- Collaborated with tools like SQL Server Management Studio (SSMS) for testing and debugging database connections.
- ASP.NET, C Sharp, MySql

Self Practice
Complaint Management System

📅 Aug 2024 – Ongoing

- Designed and developed a user friendly web application forms for managing Complaints.
- Implemented features such as complaint submission and tracking.
- Using Data Access Layer and Modular files for better data handling.
- Collaborated with tools like SQL Server Management Studio (SSMS) and Visual Studio.
- ASP.NET, C Sharp, MySql

MENTIONS

Final Year Project
Heart Disease Prediction System

📅 March 2024 – August 2024

- Description – Designed and implemented a MATLAB-based system using a pre-trained CNN model AlexNet for ECG feature extraction and SVM for accurate multiclass heart disease prediction. Using WEKA extracted features from AlexNet were analyzed to evaluate the performance of other classifiers.
- Techs: MatLab, AlexNet, Support Vector Machine, WEKA.

Semester Project
AirLine Reservation System

📅 Nov 2023 – Feb 2024

- Description – Designed and developed web forms for the AirLine Reservation System with user registration and login ensuring secure authentication and efficient database integration with SQL server. Additionally, designed an admin panel to perform CRUD operations, enabling the admin to manage flight schedules by inserting, updating, and deleting records for user reservations.
- Techs: Visual Studio, SSMS, ASP.NET, C Sharp.

SOFT SKILLS

Learning Potential   Team Work   Organization   Professionalism   Responsibility

PROFESSIONAL SKILLS

Skill	Level
HTML	●●●●○○
CSS	●●●●○○
ASP.NET	●●●●○○
C Sharp	●●●●○○
MySQL	●●●○○○
OOP	●●●○○○
MS Word	●●●○○○
MS Excel	●●●○○○

STRENGTHS

- Development

  ASP.NET   C Sharp

- Development Tools – DB

  MySQL

- Development Tools – IDE – OS

  Windows   VS Code   Visual Studio   SSMS

EDUCATION

BSCS
Department of Computer Science and Information Technology – Institute Of Southern Punjab Multan

📅 Oct 2020 – Sep 2024
